IDOT Plans Rolling Stops March 2 on I-72 at Sangamon/Macon County Line

SPRINGFIELD — Traffic will be slowed to rolling stops Thursday, March 2, on Interstate 72 at the Sangamon/Macon county line between mile markers 123 and 124 in both east- and westbound lanes.

The work zone will be in place between approximately 10 and 10:30 a.m. to allow for the removal of old power lines. Lane closures will not be necessary.

Drivers are urged to pay close attention to the signs in the work zone, obey the posted speed limits, be on the alert for workers and equipment, expect delays and be prepared to stop.
